Due to COVID there are some additional measures in place at Crystal Mountain. You will need to take the green shuttle passes from the cabin in order to purchase pool passes. See note from Crystal below:

Guests are able to purchase a day pool pass for \$10 a person at the Park at Water's Edge by showing a shuttle pass as proof of their stay in your unit. The shuttle pass is not a pass for the pool and is only used for identification at the PAWE for pool pass purchases.
